Reasons for Allowance

The following is an examiner's statement of reasons for allowance: claims 62-69 and 77 are allowable over the prior art of record for reasons made of record in the action mailed on 16 September 2003. Claims 58-61, 70-72, and 74-76 are allowable because the prior art of record does not anticipate or render obvious a method of forming a protective structure for a ferroelectric dielectric region on an integrated circuit substrate substantially as claimed, wherein the method comprises depositing a non-conductive second metal oxide layer on the first metal oxide layer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
